Term 4 Week 10 Monday 14th December, 2020

Year 6 Farewell

It was a privilege to wish our Year 6 students all the best luck for the next phase in their lives. They leave for high school as a group of young ladies ready to fulfil their hopes and dreams.

Dear Parents

We all hope you managed to fill the tanks, water the gardens, stay dry and didn't have any flood issues.

Excursions

We are finally here! What a wonderful, positive way to finish off what has been a very different and often difficult year.

Dates for next year

Staff Development Days (no students) - 27th & 28th January

Students in years 1 to 6 return - 29th January

Kindergarten Best Start – 1st February

Kindergarten students start school – 2nd February

School staff

We start 2021 with only one change, Mrs Kate Duncan is working with the 3-4-5-6 class as an SLSO. Kate is here on a temporary contract and was appointed through an Expression of Interest. We are constantly looking at our learning, attendance and wellbeing data deciding on what is working and what is not. There will be some minor timetabling changes in how we can more effectively manage the needs of our students. I look forward to sharing these updates with our community very early on in the new year. Hopefully Covid19 will not have the same restrictions so we can meet face to face next year.

Thank you to everyone for supporting our school this year. We have had some amazing contributions from our community. Our playground went through a very positive transformation with help from the students and we trialled a whole school behaviour management system. The foundations for a better performing school have well and truly been laid and we look forward to seeing continued progress over the next few years.

Have a great holiday. Come back to us safe and well.

Kindest regards,

Stephen de Roos
