**Term 4 Week 7**

**Monday 15th November, 2021**

Dear Parents

Congratulations to our 3-4-5-6 class for the amazing effort they have been putting in to their learning over the past week. Congratulations also for their effort to complete the Check in Assessments.

### **Level 3 Covid19 update**

Thank you to everyone for following our safety procedures. It is important we all work together to keep our students safe. The conditions we have to adhere to are constantly changing. When we receive updates they will be passed on to you.

### **Tell them From Me Survey (TTFM)**

The TTFM is a worldwide survey tool. It is the main method of collecting data about student wellbeing and school improvement. Our school uses the information from this survey as a way to measure our improvement targets. Students in Years 4, 5 and 6 will be completing a short survey this week. The following link is for parents to complete. If you are going to complete the survey please do so before the end of next week 27th November.

### **Sports fun day**

Thank you to all staff for helping to plan the sports fun day. Orders can still be taken for the hot dog lunch. Proceeds from the day will be used for the Year 6 farewell.

### **Kempsey High School Orientation**

Orientation day for Year 6 students is on Tuesday 23rd November at Kempsey High School. Students are able to catch the high school bus to and from.

### **Reptile Show**

Chontelle from Vinnies has organised a Reptile Show to visit our school on Wednesday 1st December. The children will see a variety of reptiles including snakes, and be educated on safety procedures around reptiles. This event is free of charge, sponsored by Vinnies.

Have a great week

Regards
