Term 4 Week 10 Monday 6th December, 2021

Dear Parents

We hope you have managed to stay dry during the recent rain. The gardens at school are looking very healthy with the extra moisture.

Covid19 restrictions

Thank you to everyone for following Covid19 requirements when you are on or near school. The Covid19 guidelines we are required to follow are updated weekly and sometimes during the week when conditions change. I have been reluctant to announce the guidelines the school has to follow until it has been confirmed.

I therefore have to apologise for any inconvenience to you and your family for not being able to have Presentation Day and Year 6 Farewell the way we would have liked to have it. If you would like additional information please contact the school.

Wet Weather arrangements

The Fun Day events we have planned for Wednesday 8th will only go ahead if there is dry weather. We hope it doesn't rain but there is a back up plan of indoor games just in case it does.

Presentation Day

The current updated Covid19 restrictions are allowing us to have parents attend Presentation Day but there are some very strict conditions we have to follow. Parents will have to be fully vaccinated. Parents will need to sign in and out and follow all Covid safe requirements. I understand some families will not be able to attend and I apologise for that.

Presentation day events start at 9:30 and will conclude around 10:15 am. It will be a shortened version of what we normally do due to Covid restrictions.

Year 6 Farewell

All staff have looked very closely at the Covid19 guidelines. The Farewell will proceed but in a different format. Parents of Year 6 students have been notified of this event.

Teachers Strike

As per last week's communication a state-wide Teachers Federation strike has been called for Tuesday 9th December. There will be minimal supervision at school

Everyone at school sincerely hopes we can get back to normal next year or as soon as possible. We know the extra pressure following the Covid19 guidelines has placed everyone under and we acknowledge and applaud all of you for being understanding and accepting of the changes we have had to make.

Have a great week.

Stephen de Roos

REPTILE SHOW

Last week's Reptile Show was a big hit with most of the children. There were a variety of snakes and lizards and the students were taught about snake safety.

Thanks again to Australian Reptile Solutions and St Vincent de Paul for organising this amazing event at our school.
