Term 1 Week 10 Monday 4th April, 2022

Dear Parents

Thanks to everyone for letting us know about flooding and bridge closures over the last week. It was good to see everyone safe and well today. There is lots happening at school this week and already next term is looking busy.

P & C Meeting

The student survey about a special occasions shirt will be tabled at this afternoon's meeting. The shirts will be a fantastic addition to our school and give our students a real sense of pride in their school. The students will all look the same when they are on excursion or out and about in the community. I will also be talking about our Learner Disposition and Bounce Back initiatives and how we can all work together to help our students be the very best versions of themselves.

Anzac Day

I have confirmed with Mr Terry Flynn the organisation for our village Anzac Day service. As in previous years we will assemble at school at 8.30am and march to the Cenotaph for the 9.00am service. Anzac Day is the Monday before school resumes for Term 2.

School Holidays

The end of Term 1 break starts this week. Staff will resume on Tuesday 26th April and students on Wednesday 27th April. I hope you have a great break and a chance to recharge.

Thank you to everyone for your patience and understanding as we navigate through the floods and Covid. It is really appreciated when you call in with updates of what is happening at your place. We are doing as much as we can to keep things as normal as possible and hope there will be an end in sight soon for all this disruption.

Kind regards

Stephen de Roos
