Term 2 Week 6

Monday 30th May, 2022

Serious concentration at last Friday's athletics training.

Dear Parents

Congratulations to our two debating teams last Friday. They had a formal practice with an adjudicator to gain some experience before the main event against other Macleay schools later this term. Thanks to Mrs O'Connell and Arthur Bain for his experience and feedback.

Attendance

We have a school attendance target of 92%. This means all students are here at school with an average of 2 or 3 days per term absence. We understand there have been issues with weather and colds and flu but we do appreciate the commitment all of you show to getting your kids to school each day.

Behaviour expectations

We have reviewed some of our expectations for behaviour at school. Attached is a draft of the changes. I will be asking for feedback at the next P and C meeting.

Uniforms

Thanks to everyone for returning the choices of uniform. I will be presenting them to the P & C committee at their next meeting. If you haven't returned your preference please have it in by Friday. Forms were attached to last week's Muster.

P and C meeting

The next meeting Monday 6th June. I would like to present some work we have done with behaviour management, uniforms and an update on our canteen. It would be great to see you all there.

John Robinson

John is having some well-deserved time off starting next week. We have arranged a replacement so things should be looking good when he returns.

A big welcome back to Piano and Bill. It is great to see them back with their friends.

Have a great week and stay warm with the expected cold snap.

Kind regards

Stephen de Roos
