## *School Highlight*

**SCIENCE ON THE MOVE**  
Our K-1-2 class were invited to Upper Macleay Pre School last Tuesday to join in with Science on the Move. The children watched demonstrations and joined in activities around floating and sinking, magnets, gears and optical illusion. Thanks UMPS for inviting us. We had lots of fun!

## *From the Principal*

Congratulations to our Year 3 and 5 students for their application to the NAPLAN literacy, writing, reading and numeracy tests last week. Results of the tests will be available in August.

The cooler weather has arrived and all of us would like to remind you to please put names in jumpers so we can make sure they are returned if misplaced.

Another reminder as well to provide a note or let the school know if your child is going to be away from school, or sick, as soon as you can. If your child is off sick for longer than two days they will need a medical certificate as well. This is a Department of Education requirement.

This week we have our school athletics carnival. Thank you to Mrs Scanlon and Kerry for their organisation. It should be a wonderful day, especially if the weather holds, and a good opportunity for all of our community to get involved with the school celebrating our student's achievements. If you can help with events on the day it would be appreciated. Our P & C canteen will be operating a BBQ on the day. Please sign and return the attached permission note.

My door is always open to parents. If you would like to discuss anything about our school please feel free to drop in. I am always available on Thursday or Friday unless I am called away and I am generally here from 7:30am until 4:30pm.

The White Cross Mobile Dental Care will be at school to perform dental examinations. The attached information needs to be completed and returned to school this week if you want your child to take part in these examinations.

School photos are scheduled for Wednesday 20th June. Children need to be in full school uniform. Payment envelopes will be sent home in the next few weeks.

*Regards, Stephen de Roos*
